

I won't let you go – jeames morrisson
Accordi by "www.gianlumusic.jimdo.com"

Do
When it's black
La-
Take a little time to hold yourself
Fa
Take a little time to feel around
Do
Before it's gone
Do
You won't let go
La-
But you still keep on falling down
Fa
Remember how you saved me now
Do
From all of my wrongs, yeah
Do
If there's love just feel it
If there's life we'll see it
La-
This is no time to be alone, alone, yeah
Fa Sol Do
I won't let you go
Do
Say those words
La-
Say those words like there's nothing else
Fa
Close your eyes and you might believe
Do
That there is some way out, yeah
Do
Open up
La-
Open up your heart to me now
Fa
Let it all come pouring out
Do
There's nothing I can't take
Do
If there's love just feel it
La-
And if there's life we'll see it

This is no time to be alone, alone, yeah
Fa Sol Do
I won't let you go
Do
If your sky is falling
Just take my hand and hold it
La-
You don't have to be alone, alone, yeah
Fa Sol Do
I won't let you go
Fa Sol Do
And if you feel the fading of the light
Fa Sol Do
And you're too weak to carry on the fight
Fa Sol La-
And all your friends that you count on have
disappeared
Do Fa Do
I'll be here, not gone, forever, holding on, oh
Do
If there's love just feel it
And if there's life we'll see it
La-
This is no time to be alone, alone, yeah
Fa Sol Do
I won't let you go
Do
If your sky is falling
Just take my hand and hold it
La-
You don't have to be alone, alone, yeah
Fa Sol Do
I won't let you go
I won't let you go
I won't let
Do
I won't let you go, no
La-
I won't let you go
Fa
I won't let you go
Do
Won't let you go
